County of San Luis Obispo

TO: Board of Supervisors
FROM: Public Works
Michelle Matson, Traffic Engineer
VIA: Glenn Marshall, Transportation Division Manager
DATE: 12/2/2014
SUBJECT: Submittal of a resolution establishing changes to the Traffic Regulation Codes modifying speed limits on Main Street, Templeton; and on South Bay Boulevard, Los Osos. Districts 1 and 2.

RECOMMENDATION

It is recommended that the Board adopt the attached resolution amending the County's Traffic Regulation Code sections involving speed limits.

DISCUSSION

The Department of Public Works received requests for speed limit review at the following locations:

Main Street, Templeton – Currently, the northerly section of Main Street from Gibson Avenue to Ramada Drive is posted for a speed limit of 45 MPH. Main Street, in this segment, does not qualify as a 25 MPH business district; an Engineering and Traffic Survey is required to post a speed limit. Public Works was asked by the Templeton Area Advisory group to re-evaluate the existing speed limit. Engineering and Traffic Surveys conducted along the corridor support a 35 MPH speed limit from First Street to River Run Road in compliance with California Vehicle Code Section 21400. Speed surveys north of River Run Road support the existing 45 MPH speed limit. The attached resolution will establish the 35 MPH speed zone.

South Bay Boulevard, Los Osos – South Bay Boulevard between Los Osos Valley and Santa Ysabel Avenue is a two lane arterial with Class II bike lanes currently signed 55 MPH per the Maximum Speed Limit as defined in California Vehicle Code Section 22349. Public Works was asked by the Bike Coalition to re-evaluate the speed limit. Engineering and Traffic Surveys conducted along the corridor support a 50 MPH speed limit in compliance with the California Vehicle Code. The attached resolution will establish the 50 MPH speed zone.

Adopting this resolution will bring the speed limits of the roads noted within requirements of the California Vehicle Code Section 22358.

Adoption of these regulations does not require a public hearing.

OTHER AGENCY INVOLVEMENT/IMPACT

The California Highway Patrol will enforce these speeds, once posted. Advisory Councils have been notified of these proposed actions.

FINANCIAL CONSIDERATIONS

Placement of signs is estimated to cost approximately \$500. This is within the Road Fund's budgeted amount for this activity.

RESULTS

Adoption of this Resolution will enhance County road safety and operations by enforcing speed limits, thus improving community livability.
